## Strong start to sales of Bonava's project in Kristineberg

**Sales of the first 70 apartments, which were put on the market in September, got off to a strong start, attracting considerable interest. Kristinebergs Slottspark will be a unique neighbourhood, combining the pulse of a major city and proximity to areas of natural beauty. Wästbygg AB has been commissioned to construct the apartments.**

- I am very pleased to have reached an agreement with Wästbygg, which we have commissioned to implement the contract. Wästbygg is a stable and secure contractor with a high awareness of safety and extensive experience. The cooperation with Wästbygg on this project is entirely in line with our endeavour to streamline the construction process together with selected partners, says Fredrik Hemborg, Business Unit Manager, Bonava Sweden.
